COME NOW Plaintiffs, MICKLY MCDANIEL, JIMMEL BAPTISTE, CECIL RAY COLLINS, JR., ERNEST DAVID COLLINS, DAVID ALLAN MARTIN, ADRIAN M. PHILLIPS, SAMUEL ROGERS, IRA SHANE WELCH, SR., and IRA SHANE WELCH, JR., who appear before this Honorable Court through undersigned counsel to petition the Court for the recovery of damages and the other relief and remedies set forth in this petition on the following grounds and for the following reasons:

1.

Plaintiffs each are major persons who reside and are domiciled as follows:

MICKLY MCDANIEL resides and is domiciled in Canadian County, Oklahoma;

JIMMEL BAPTISTE resides and is domiciled in Brazoria County, Texas;

CECIL RAY COLLINS, JR. resides and is domiciled in Orange County, Texas;

DAVID ALLAN MARTIN resides and is domiciled in Hardin County, Texas;

ADRIAN M. PHILLIPS resides and is domiciled in Jefferson County, Texas;

SAMUEL ROGERS resides and is domiciled in Forsyth County, North Carolina;

IRA SHANE WELCH, SR. resides and is domiciled in Hardin County, Texas; and

IRA SHANE WELCH, JR. resides and is domiciled in Jefferson County, Texas.

2.

Named as defendants in this petition are the following:

- (a) PACKAGING CORPORATION OF AMERICA, INC. ("PCA") a Delaware corporation with its principal place of business located in Illinois which is authorized to do and is doing business in the State of Louisiana and which may be served through its registered agent for service of process, C T Corporation System, 3867 Plaza Tower Drive, Baton Rouge, Louisiana 70816;
- (b) FLOYD J. LEBLEU, an individual of the age of majority and resident of the Parish of Beauregard, State of Louisiana, who may be served at 1082 Three Pine Church Road, DeRidder, Louisiana 70634;
- (c) RAYMOND LESTER, an individual of the age of majority and resident of the Parish of Beauregard, State of Louisiana, who may be served at 105 Tara Drive, Apartment C, DeRidder, Louisiana 70634; and
- (d) JAMES MACHINE WORKS, LLC, a Louisiana limited liability company with its principal place of business located in the Parish of Ouachita, State of Louisiana, which may be served through its registered agent for service of process, Davenport, Files, & Kelly, 1509 Lamy Lane, Monroe, Louisiana 71201.

3.

On or about Wednesday, February 8, 2017, Plaintiffs were performing, or were beginning to perform, their duties as part of the welding/pipefitting crew operating at PCA's DeRidder, Louisiana facility. Specifically, Plaintiffs and their co-workers were to perform welding/pipefitting operations in the pulp mill section of PCA's containerboard mill. At approximately 11:10 a.m., a 25-foot tall tank manufactured by Defendant JAMES MACHINE WORKS, LLC and containing foul condensate exploded, killing three of Plaintiffs' co-workers and injuring Plaintiffs and others.

4.

At the time of the explosion that killed Plaintiffs' co-workers and caused injury to Plaintiffs and others, Defendant FLOYD J. LEBLEU was employed by PCA as the senior project manager overseeing contractor safety at the pulp mill facility where the explosion occurred, and Defendant RAYMOND LESTER was employed by PCA as the manager of the yard of the pulp mill facility in which the explosion occurred.

5.

On information and belief, prior to the explosion, PCA, through its employees, including but not limited to FLOYD J. LEBLEU and RAYMOND LESTER, caused, approved, or otherwise

allowed a "hot-work" permit to issue allowing the decedents to proceed with welding in the pulp mill section of the facility. PCA failed to ensure that the equipment on which the welders were working had been purged, blocked, isolated, or otherwise cleared of combustible materials.

6.

Also on information and belief, on or about Monday, February 6, 2017 (*i.e.*, two days prior to the explosion at issue herein), PCA, through its employees, moved the scheduled safety meeting from its original location due to the strong smell of ammonia emanating from the tank which later exploded, and allowed welding activities to begin prior to a "sniff test" being performed.

7.

The explosion that is the subject of this lawsuit resulted from the fault and/or negligence of PCA and its employees in the following non-exclusive particulars:

- (a) failing to warn Plaintiffs and their co-workers that they were welding in a section of the PCA facility that contained hazardous and/or flammable vapors;
- (b) failing to ensure that the area contained no hazardous or flammable gasses;
- (c) failing to ensure that no ignition source was present at or near the welding area;
- (d) failing to supervise other contractors who may have contributed to causing the explosion;
- (e) failing to purge and/or clear equipment of any potentially flammable and/or combustible materials;
- (f) failing to follow PCA's own policies and procedures regarding safe work and operation;
- (g) failing to properly maintain and repair equipment;
- (h) failing to provide training;
- (i) failing to provide and maintain a safe work site;
- (j) failing to properly train employees to maintain a safe work site;
- (k) failing to promulgate and enforce policies required to maintain a safe work site;
- (l) failing to provide timely firefighting assistance;
- (m) failing to ensure that automatic firefighting equipment was in place;
- (n) failing to promulgate adequate and safe work procedures;
- (o) failing to enforce safe work procedures;
- (p) failing to ensure that the area was safe to work;

- (q) failing to follow standards set by the Occupational Safety and Health Administration;
- (r) failing to perform an appropriate job safety analysis;
- (s) failing to provide personnel sufficient to perform operations; and
- (t) any other acts and/or omissions which may be proven at the trial on the merits.

8.

As senior project manager overseeing contractor safety at PCA's DeRidder pulp mill facility, FLOYD J. LEBLÉU's fault and/or negligence caused the explosion that is the subject of this lawsuit in the following non-exclusive particulars:

- (a) failing to warn Plaintiffs and their co-workers that they were welding in a section of the PCA facility that contained hazardous and/or flammable vapors;
- (b) failing to ensure the safety of contractors working at the DeRidder PCA facility;
- (c) failing to ensure that the area in which Plaintiffs and their co-workers were welding contained no hazardous or flammable gasses;
- (d) failing to supervise other contractors who may have contributed to causing the explosion;
- (e) failing to ensure that no ignition source was present at or near the welding area;
- (f) failing to purge and/or clear equipment of any potentially flammable and/or combustible materials;
- (g) failing to follow PCA's own policies and procedures regarding safe work and operation;
- (h) failing to properly maintain and repair equipment;
- (i) failing to provide training;
- (j) failing to maintain a safe work site;
- (k) failing to properly train employees and/or contractors to maintain a safe work site;
- (l) failing to enforce policies required to maintain a safe work site;
- (m) failing to provide timely firefighting assistance;
- (n) failing to ensure that automatic firefighting equipment was in place;
- (o) failing to enforce safe work procedures;
- (p) failing to ensure that the area was safe to work;
- (q) failing to follow standards set by the Occupational Safety and Health Administration;

- (r) failing to perform an appropriate job safety analysis;
- (s) failing to provide personnel sufficient to perform operations; and
- (t) any other acts and/or omissions which may be proven at the trial on the merits.

9.

As manager of the yard of PCA's DeRidder pulp mill facility in which the explosion that is the subject of this lawsuit took place, RAYMOND LESTER's fault and/or negligence caused said explosion in the following non-exclusive particulars:

- (a) failing to ensure the area of the PCA facility under his care, custody, and control was free from all hazards;
- (b) failing to ensure that the tank and piping of his managed area was purged and/or cleared of any potentially flammable and/or combustible materials;
- (c) failing to warn Plaintiffs and their co-workers that they were welding in a section of the PCA facility that contained hazardous and/or flammable vapors;
- (d) failing to ensure that the area in which Plaintiffs and their co-workers were welding contained no hazardous or flammable gasses;
- (e) failing to ensure that no ignition source was present at or near the welding area;
- (f) failing to supervise other contractors who may have contributed to causing the explosion;
- (g) failing to follow PCA's own policies and procedures regarding safe work and operation;
- (h) failing to properly train the employees in the pulp mill area that he managed to maintain a safe work site;
- (i) failing to enforce policies required to maintain a safe work site;
- (j) failing to provide timely firefighting assistance;
- (k) failing to ensure that automatic firefighting equipment was in place;
- (l) failing to enforce safe work procedures;
- (m) failing to ensure that the area was safe to work;
- (n) failing to follow standards set by the Occupational Safety and Health Administration;
- (o) failing to perform an appropriate job safety analysis;
- (p) failing to provide personnel sufficient to perform operations; and
- (q) any other acts and/or omissions which may be proven at the trial on the merits.

10.

Alternatively, PCA is liable for the negligent and/or intentional acts of its employees, agents, servants, and/or representatives for failing to inform Plaintiffs and their co-workers that the area in which they were welding contained flammable and/or combustible vapors. As such, PCA knew or should have known that Plaintiffs' injuries were certain or substantially certain to occur as a result of its actions and those of its employees, agents, servants, and/or representatives.

11.

Additionally and/or alternatively, as the manufacturer of the foul condensate tank that exploded and caused Plaintiffs' injuries, Defendant JAMES MACHINE WORKS, LLC's fault and/or negligence caused said explosion in the following non-exclusive particulars:

- (a) manufacturing and selling a product that is unreasonably dangerous in its construction, composition, and condition;
- (b) manufacturing and selling a product that is unreasonably dangerous in its design;
- (c) manufacturing and selling a product that is unreasonably dangerous because it failed to contain an adequate warning about characteristics of the product that may cause damages; and
- (d) manufacturing and selling a product that is unreasonably dangerous because it failed to conform to an express warranty.

12.

Defendants' conduct by act and/or omission, as set forth herein and otherwise, constituted negligence that resulted in Plaintiffs' injuries and the damages sought herein.

13.

As a direct and proximate cause of Defendants' negligence, Plaintiffs suffered severe bodily and emotional injuries. Specifically, each and every plaintiff herein inhaled noxious fumes; Plaintiff MICKLY McDANIEL suffered injuries to his knee and back; Plaintiff CECIL RAY COLLINS, JR. suffered burn injuries; and Plaintiffs JIMMEL BAPTISTE, ERNEST DAVID COLLINS, DAVID ALLAN MARTIN, ADRIAN M. PHILLIPS, SAMUEL ROGERS, IRA SHANE WELCH, SR., and IRA SHANE WELCH, JR. each suffered, and continue to suffer, Post-Traumatic Stress Disorder.

14.

Plaintiffs seek to recover all damages allowed by law, including money damages to compensate them for the following:

- (a) physical pain and suffering in the past;
- (b) physical pain and suffering Plaintiffs will suffer in the future;
- (c) mental anguish suffered in the past;
- (d) mental anguish Plaintiffs will suffer in the future;
- (e) medical expenses incurred in the past;
- (f) medical expenses Plaintiffs will incur in the future;
- (g) lost wages incurred in the past;
- (h) lost wages Plaintiffs will incur in the future;
- (i) loss of earning capacity in the past;
- (j) loss of earning capacity Plaintiffs will incur in the future;
- (k) physical impairment suffered in the past; and
- (l) physical impairment Plaintiffs will suffer in the future;
- (m) all emergency services incurred as a result of the accident;
- (n) all general damages reasonable in the premises;
- (o) all special expenses reasonable in the premises;
- (p) all general and equitable relief under the circumstances;
- (q) legal interest from date of judicial demand;
- (r) any expenses incurred or to be incurred and for which Plaintiffs are responsible that are consequential to the events complained of in this action; and
- (s) for such other damages as may be established at the trial of this action.

15.

Plaintiffs specifically reserve any and all rights they may have under Louisiana, Texas, or any other state and/or federal law to punitive damages arising from the acts and/or omissions of the Defendants herein.

16.

Plaintiffs specifically allege that the damages complained of in this action exceed the jurisdictional requirement for trial by jury and, further, Plaintiffs pray for a trial of all issues by jury as allowed by law.

WHEREFORE, Plaintiffs, MICKLY McDANIEL, JIMMEL BAPTISTE, CECIL RAY COLLINS, JR., ERNEST DAVID COLLINS, DAVID ALLAN MARTIN, ADRIAN M. PHILLIPS, SAMUEL ROGERS, IRA SHANE WELCH, SR., and IRA SHANE WELCH, JR., ask that citation issue, that Defendants PACKAGING CORPORATION OF AMERICA, INC., FLOYD J. LEBLEU, RAYMOND LESTER, and JAMES MACHINE WORKS, LLC be served with process in this action, that he be granted a trial by jury of all issues, and, after due proceedings in accordance with law, that there be judgment rendered in this action in favor of Plaintiffs and against Defendants for such damages as are reasonable based on the claims and allegations set forth in this petition, along with judicial interest on all amounts awarded from the date of this demand until paid in full, all costs of this action, and such other relief or remedies as may be proper under the facts and law presented.

**MOTION OF PACKAGING CORPORATION OF AMERICA AND ORDER FOR  
EXTENSION OF TIME TO FILE RESPONSIVE PLEADINGS**

NOW INTO COURT, through undersigned counsel, comes defendant PACKAGING CORPORATION OF AMERICA who, on suggesting to the Court that this defendant needs additional time to answer plaintiffs' Petition for Damages, moves for a 30 day extension of time in which to file responsive pleadings. Mover requires additional time to investigate the matter and the allegations prior to filing responsive pleadings and respectfully suggests that the requested extension will not prejudice any party nor unduly delay the progress of this litigation.

Mover, Packaging Corporation of America, was served with the Petition for Damages on May 14, 2018, and the citation requires the filing of responsive pleadings on or before May 29, 2018. Mover requests a today extension of the time to file responsive pleadings until June 28, 2018, and prays for such relief.
